

the ability of the facility's personnel to perform their duties and functions on the facility, as those duties and functions are described in the EEP. If a standby vessel is designated for that facility in the EEP, the vessel must be positioned as described in the EEP for an evacuation of that facility and the vessel's crew must demonstrate its ability to perform its duties and functions under the EEP.

(d) The date and time of such drills shall be reported in writing by the person in charge at the time of the drill to the owner who shall maintain this report record for a year and furnish it upon request to the Coast Guard. After one year, such records may be destroyed. When it is impossible to conduct emergency drills as required by this section during a particular calendar month, during the following month, a written report by the owner shall be submitted to the Officer in Charge, Marine Inspection, stating why the drills could not be conducted.
